

Beach Kandi

Beachfront - Turtle Cove

Beach Kandi is a modern two bedroom beachfront villa with spectacular views of the turquoise waters. Both bedrooms have a king bed, en-suite bathroom with stand-alone bathtub, separate shower and a walk-in closet. A fold-away glass wall turns the open-plan great room into a breezy indoor-outdoor living space with the beach just a few steps away. Recline on the sitting area's sofas, set a drink on the live-edge wood coffee table and watch the waves outside or pop-up the television to watch your favorite show.
