

# Silver Sands

Beachfront - North Shore

This spectacular, spacious 8 bedroom family home has been extended and renovated with love, a European design flare and imagination. It features three master bedrooms, two with ocean views and balconies overlooking the beach, and one garden view master. The living area along with indoor and outdoor dining are situated on the upper floor with panoramic views of the turquoise waters. For an even more spectacular view venture to the third floor viewing deck for quiet relaxation and sunsets.
